Processor: Intel Core i5-4460 (3.40 GHz) or better; Quad-core or better

Memory: 4 GB RAM

Graphics: NVIDIA GeForce GTX 650 (2GB) or better (DirectX 11 card Required)

DirectX: Version 11

Storage: 28 GB available space

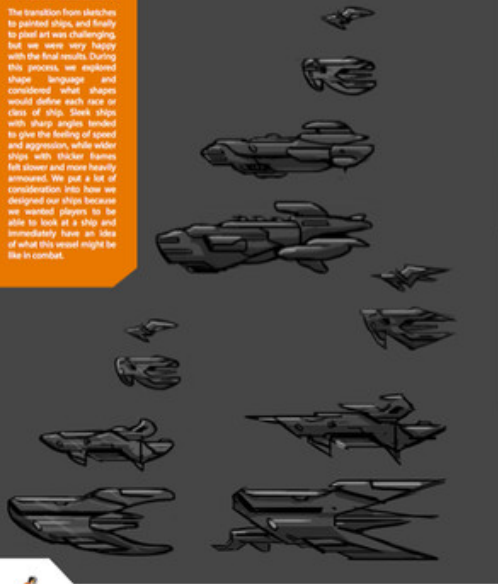

Sound Card: DirectX 9.0c compatible sound card

English,French,Italian,German,Japanese,Russian

SHIP PROGRESSION

The transition from sketches to painted ships, and finally to final art was challenging, but we were very happy with the final results. During this process, we explored three languages and considered what shapes would define each race or class of ship. Some ships with sharp angles tended to give the feeling of speed and aggression, while other ships with thicker frames felt slower and more heavily armored. We put a lot of consideration into how we designed our ships because we wanted players to be able to look at a ship and immediately have an idea of what this vessel might be like in combat.

SHIP PROGRESSION

DIE KOMPLETTLÖSUNG - FÜR ALLE PLATTFORMEN

Die Welt Antaloors ist riesig - aber keine Angst, Sie sind nicht verloren!
Das offizielle Lösungsbuch zu „Two Worlds“ sorgt dafür, dass Sie kein Abenteuer verpassen, kein Rätsel ungelöst lassen und an keinem Gegner verzweifeln.
Unzählige Monster, anspruchsvolle Quests und jede Menge versteckter Specials warten darauf, von Ihnen entdeckt zu werden! Allen „Two Worlds“- Fans, denen es bis durch die Lippen gehen soll, steht auf 448 Seiten das geballte Wissen der Entwickler zur Verfügung: Gegnerwerte, Karten, versteckte Gegenstände und, und, und...
EIN MUSS FÜR JEDEN ABENTURER!

Für Homestead:
Der ausführliche Anleitf für die Geheimnisse der Altsiedler.

Vollständige Bestiarium:
Ergänzung aller Gegnerkataloge mit neuen Fähigkeiten und Schwächen.

Alle Werte auf einen Blick:
Die neuen Waffentypen sind mit 101 zu identifizieren.

Umsa von Low:
Detaillierte Karten mit zahlreichen Markierungen.

Totales Durchbruch:
Der Questindex sorgt für das gezielte Durchlaufen aller Quests.

Es el unico que esta en Español !!!,asi que...merece la pena.. The game is a good concept that's terribly executed. It's Early Access at best.

The item descriptions make no sense, the tutorial doesn't mention core gameplay mechanics (e.g. it doesn't mention using the grip buttons to drop markers), and how to use the essential repair tools are not explained.

Overall, you will feel really frustrated because you don't know what anything does. For example, your probes go missing with absolutely no explanation as to why. Check the battery, check the fuel, aaaaaaaaaaaaaand it's gone. There's also a green tool that is described by neither the tutorial nor the item description. When should you use it? What does it do? How does it work? WHO KNOWS!?. Just getting into the game I thought hey it'll be fun, but clearly its still in the testing stages. Spawn campers, guns that are technically behind the character. sliding and sometimes flying characters. Overall Really not done yet.. In terms of difficulty, tedious 90% of the time and that feels generous. Overall it looks gorgeous the controls are ok but in many cases the animations feel klunky or sluggish. The difficulty comes mainly from platforming fails where you restart each room due to deaths. However the music is great and complements the theme nicely. Not worth the full price.. The prequel Pre-Dynastic Egypt was a neat little game with a good balance between scripted play and free choice. Because of that good experience, I decided to purchase Egypt: Old Kingdom for some Easter fun. Unfortunately this sequel, despite having been out for some time, isn't finished — and the game cannot be reasonably finished either. With the experience from the prequel, I decided to choose medium difficulty but was never able to get even a bronze medal from the civil war trial, despite obtaining gold from all the previous trials and having a competitive edge.

The game balance is simply not there at all, and I cannot recommend this game even though I would love to. Hopefully the developing team fixes this. The game has been out there for a while already and has a plenty of complaints for bugs. I can live with some, but not with ones that make the game unplayable.

RPG-wise nothing extraordinary, but nice setting and decent graphics make this a good light RPG to get on a sale. Recommended.. Very fun game, Really enjoy playing it trying to build a base before being inevitably destroyed because my cannons refuse to fire. :). It doesn't work.. Fun game. Really enjoyed the artwork.. Short but highly recommend, Wonderful piece of work.
